STAT

SUBJECT: Behavioral Sciences/Personnel Security Symposium

1. Per our conversation on 2 May attached for your information is the tentative agenda for the Behavioral Sciences Seminar. As I told you, [Redacted] and I discussed this project sometime ago and we certainly expect to have him attend. Perhaps at a later symposium, he will be able to make a presentation on his work in the field. I have asked [Redacted] in OS, to include Jim in the CIA group.
